Sterling's 1946 Catalog

February 4th, 1946.

Please accept this, my 1946 catalog, with my best wishes for a successful gardening year.

We passed through one of the most eventful years of our Nation's history last year, a year of Victory over our enemies and a year of new World Order.

We may well get down on our knees and thank our God for this wonderful Victory and while we are on our knees, ask God to guide and direct us and help us to win the Peace.

Last year was quite a year for our Long Island farmers. A very productive year and good prices for almost every kind of crop, two things that very seldom go together.

Our stocks of garden and field seeds and plants will be very good this year if all goes well. There are very few shortages. We will have a good supply of Fordhook Bush Lima beans, World Record peas, Blue Ribbon Brussels Sprout seed and Sterling Strain cauliflower seed.

Strawberry Plants are more plentiful this year. We have a good supply of Premier, Maytime, Dorsett, Fairfax and Starbright, but order early and make sure of them.

Vigoro for your Lawn, applied in early Spring, will give you a nice green lawn all Summer. Agrico for your shrubs and trees will help keep them growing and blooming. We also have a Special Agrico for your Rhododendrons, Azaleas and Mountain Laurel.

If you want to be free from flies, mosquitoes and gnats this Summer, use one of those DDT bombs. You may have to use it quite often on your open porch, but once in one or two weeks will do the trick inside the house. Use Carbola with DDT for your barn, henhouse and cellar.

We are still short of good help, so please be patient with us as you have in the past. Thanking you for your valued patronage and asking a part if not all of your seed and plant business for 1946, I remain,

Yours for better Seeds and Plants,

RALPH W. STERLING

May I substitute if out of any kinds ordered?

[illegible]

If any of your friends or neighbors want one or more catalogs, let me know. I will do the rest. TRUE TO NAME. While we use every precaution to have all plants, seeds, etc., true to name and of strong vitality, we will not be responsible for any sum greater than the cost of the order should any prove otherwise than as represented.

DIRECTIONS

By carefully reading and observing the following directions, mistakes will be largely avoided, and your order can be filled more promptly.

Please use the enclosed Order Sheet and self-addressed envelope if possible. If you need more, let me know and I will be glad to send more to you.

Write your name, address and shipping directions plainly.

Always send the cash with your order, unless otherwise agreed upon. Money may be sent by P. O. Money Order, Bank Draft or Registered Letter. Stamps may be sent for amounts under \$1.00, but be sure to put in three-cent stamps, wrapped in waxed paper.

We pay the postage on all seeds sold by the pkt., oz. and $\frac{1}{4}$ lb. Quantities over that are priced net, to be shipped by Parcel Post, freight or express, at purchaser's expense, unless otherwise stated.

If you desire your seed sent by Parcel Post, add 8c for the first lb. and 1c for each additional lb. of your order, allowing 3 lbs. extra for package. For amount of postage on plants see Plant Department. These rates are for anywhere on Long Island.

By pricing my seeds net, postage extra, you get your seeds delivered for less money than if I quoted a Postpaid price as the 8c per lb. extra would have to be counted in and added to each single lb. priced.

$\frac{1}{2}$ lbs. will be sold at lb. rates; $\frac{1}{2}$ bu. at bushel rates.

No charge is made for packing or packages.

NOTE—In all orders received before April 1st we include trial packets of different kinds of seed, the number of packets depending upon the size of your order. If you find any of these of particular value we would be pleased to hear of it.

If you cannot use this catalog or receive more than one, will you kindly pass it on to someone interested? Thank you.

* NOTICE—I do not warrant in any way, express or implied. the description, quality, productiveness or any other matter pertaining to any seeds, bulbs, plants, shrubs or trees sold by me. and I will not be in any way responsible for the crop.

However, all complaints are carefully looked into and I try to adjust them satisfactorily to all.

Westhampton Beach, L. I., May 21st, 1945.

I purchased from you in 1944 80 four year old Mary Washington and Paradise Asparagus Roots. When I set them out I used 8 tons of pig pen manure in the trench, mostly on top. This Spring I used 2 bags of a 5-10-5 fertilizer, 1 bag of bone meal and 30 lbs. of nitrate of soda. I have already sold 100 lbs of Asparagus besides using and giving away quantities of it. Some stalks were an inch thick in diameter and they have now grown up 5 ft. in height, as I stopped cutting some time ago. J. C.

Picking World Record Peas at Nassau Farms

PEAS

WORLD RECORD, THOMAS LAXTON, LAXTON'S PROGRESS, LITTLE MARVEL, CARTER'S DAISY and TELEPHONE are the gardener's favorites for table use and canning. Sow these six kinds together and they will follow each other through the season.

World's Record, Thomas Laxton and Laxton Progress are the three kinds used for market. Even though Peas should not pay as a market crop, the vines make fine green manure for Cauliflower, Brussels Sprouts and late Limas. Spergon keeps the seed from rotting in cold ground, and helps germination. See page 58.

East Patchogue, L. I., Feb. 27th, 1945.

Several seasons ago we bought several currant bushes of you among other things. They are such wonderful plants, producing huge red fruit of marvelous flavor. We've never had such currants, altho my Dad has grown fruit and vegetables commercially for many years.

Sincerely, Mrs. V. A. B.

GRASS, CLOVER AND ALFALFA SEED

Prices liable to change without notice.

Terms strictly cash.

I make my prices just as reasonable as is possible consistent with the quality. It is the very last fraction of 1% in purity that costs money. I believe that it pays big returns, too, as it is truer in seeds than in anything else that "the best is none too good."

In sowing Timothy alone without Clover, use 15 to 20 lbs. to the acre. If your land is sour and Grass and Clover does not do well as a rule, a little lime sown on top of the ground and harrowed in before sowing the seed would be a great help.

All our Clover Seed is grown in the Northwest U. S. A.

Ask for special price on 60 lbs. and over.

LAWN MAKING

Our Lawn Grass Seed is mixed from the very best grass seed, recleaned and free from weeds, and we sell many hundred pounds all over Long Island, as there is no better grade seed on the market.

Loosen the soil in which a new lawn is to be made to a depth of at least five inches, and lighten it with humus, compost or manure, if it is heavy and inclined to bake. Apply fertilizer liberally, either Sheep Manure, Bone Meal or Bovung, especially good for lawns. Use Vigoro on established lawns in early Spring and early Fall.

Sow in the early Spring when cool weather and ample rainfall will insure complete germination and a good start for the seedlings before hot dry weather comes. If seeding must be delayed, special precautions must be taken to prevent the ground drying out. Early fall is a very desirable time to seed, if moisture is sufficient.

See that the seed is well covered. Rake it into a new seed bed and

roll so that the soil is firmed over the seed. Where seed is sown on an old lawn, always cover it with a top dressing of sand or soil and fertilizer and raked in. Seed thrown on the top of hard ground has no chance to grow and will merely wash off.

No Timothy is ever used in our Lawn Grass Mixture.

GOOD BUSINESS

If I possessed a shop or store,
I'd drive the grouches off my
floor!

I'd never let some gloomy guy
Offend the folks who come to
buy;

I'd never keep a boy or clerk
With mental toothache at his
work,

Nor let a man who draws my
pay

Drive customers of mine away.

The reason people pass one door
To patronize another store,
Is not because the busier place
Has better silks, or gloves, or
lace

Or special prices, but it lies
In pleasant words and smiling
eyes;

The only difference, I believe,
Is in the treatment folks re-
ceive!

EDGAR A. GUEST.

PERENNIAL PLANTS

Our plants are best for your Hardy Border or your Rock Garden. They are grown from the choicest seed procurable and the most popular sorts. Take care of them and they will bloom for many years. Dig the bed deep, enrich with well-rotted manure, keep clean and give protection in the Winter. Nice plants, transplanted, well rooted. Top dress with Bone Meal, Sheep Manure or Bovung. Mulch with Peat Moss.

Laughing Water, Southold, L. I., Aug. 10th.

After preparing the ground with your Peat Moss and Bovung, I sowed Sterling Lawn Grass about two weeks ago. I wish you could see it now. The grass is up about an inch and it looks like a piece of green velvet.

RED RASPBERRY PLANTS

We are trying new kinds every year in our endeavor to get kinds that will not get Mosaic and die out in a few years. We list some that are well worth trying.

NEWBURGH. A red raspberry of superior merit. It is of fine quality, early, productive, and holds its size through a long season. Per doz., \$1.80. Per 100, \$12.50.

TAYLOR. Late. New. Large, bright red berries. Better than Latham. Per doz., \$1.80; per 100, \$12.50.

SUNRISE. A new early berry. Very prolific. Per doz., \$2.00.

INDIAN SUMMER. The best Fall bearing raspberry. Dark red. Prolific. Per doz.. \$2.00.

Delhi, N. Y., Dec. 1st—I had the largest yield from an acre of Blue Ribbon Sprouts this year that I've ever had since growing sprouts. My seed was what I had left from the previous year. Since seed was scarce I decided to take a chance on it and I'm glad that I did. I don't think anybody need be afraid to plant year-old seed if they have it. Here's hoping my order for 1945 can be filled. K. R. F.

BLACK CAP RASPBERRY PLANTS

LOGAN. Early. Disease resistant. Hardy and prolific. Most dependable Early Black Cap. Per doz., \$1.50.

BLACKBERRY PLANTS

BOYSENBERRY. Thornless. An improvement over the old kind. Per doz., \$1.80.

ASPARAGUS ROOTS

These roots are large and healthy, grown from selected seed. These plants are from my own beds.

	Doz.	100	1,000
MARY WASHINGTON. One-year-old roots. From re-selected seed. This kind is the largest, most productive and finest flavored Asparagus yet developed. Very high branching, which makes it the best for cutting green. Rust-resistant	\$.35	\$2.00	\$15.00
MARY WASHINGTON. Selected 2-year-old roots	.50	3.00	25.00
MARY WASHINGTON. 5- to 6-year-old roots. Extra large80	3.50	30.00

Set out Sterling Grown Roots this year, about six inches below the surface of the ground, cover with two inches of soil. As the plants grow up, fill trench with well-rotted manure and more soil, and some good fertilizer on top of that. Do not put fertilizer next to any kind of root or plant if you want them to live.

If properly taken care of you can cut your bed the following Spring until June 1st, letting it grow up after that and giving it more manure. Feed Asparagus well and it will feed you well.

HORSE RADISH

MALINAR KREN. Best kind. Per doz., 50c.

RHUBARB ROOTS

CANADA RED RHUBARB. Large red stalks. Does not run to seed. Finest flavor. Per root, 75c; per doz., \$8.50.

If you want Raspberry and Blackberry Plants, Horse Radish and Rhubarb Roots sent by Parcel Post, add 15c to above prices for 1 doz., 25c for 2 doz. on Long Island.

Mattituck, L. I., Oct. 2nd, 1944—I had a very good crop of Sterling Strain Fordhook Bush Limas this year, and they came when the market was high. They sold from \$3.00 to \$4.50 per hamper. Will want 6 bu. for 1945. V. Z.

Riverhead, L. I., Aug. 17th, 1944—Many thanks for the prompt manner in which you have filled my orders this Spring. The celery is coming along fairly well. All the other plants have done very well, after having been watered in a good many times. J. R. T.

Bovina Center, N. Y., Oct. 1st, 1943—I have been picking your sprouts for the past two months and am now starting my third hundred crates. The crop has been very good here this Fall, considering the severe drought we have been having. We have had no rain to wet in at all in two or more months. Mrs. J. B. E.

An Attractive Cape Cod Cottage at Nassau Farms

Real Estate Department

I have many choice lots, plots, houses, bungalows and farms on my lists for sale and for rent. If you are interested in Eastern Long Island Real Estate, get in touch with me at your earliest convenience.

I am always willing to consult, advise or act as your agent if you are desirous of buying out this way or of selling property you own in this vicinity.

I am a Licensed Real Estate Broker and have been buying and selling Real Estate since 1926.

Why not put some of your surplus money into land this year? It will be something you can always enjoy no matter if prices do go up.

NASSAU FARMS

A sixty acre tract laid out and developed by myself. There are forty houses and bungalows already built and occupied not only in the Summer time, but some of them are year 'round homes, at Nassau Farms.

I have one large lot with 74 ft. frontage on Bay Avenue and over 240 ft. in depth. This lot overlooks Peconic Bay and faces the south, where the prevailing winds come from. All adjoining lots have been sold and several new homes are contemplated.

Ned's Garden. A plot with 150 ft. frontage on Bay Avenue. 160 ft. on the East side and 237 ft. on the South side. Could sell a nice plot with woods and meadowland directly in front if desired. Priced very reasonable.

Plot No. 105, a four-acre plot of good soil, suitable for any crop. This plot has 70 ft. of frontage on Bay Avenue and 20 ft. on Baldwin Creek and over 900 ft. in depth. Good terms can be arranged.

Five large lots on Lilac Lane and 400 ft. fronting on Sterling Road. Some of this property is wooded and some is clear land. From 150 to over 200 ft. in depth. Your choice of any of these lots and plots at \$12.00 per front foot. Nothing less than 70 ft. sold.

A large map showing location, size and price of all the lots and plots at Nassau Farms can be had for the asking. Ask us for one.

STERLING INLET AND MANY OTHER LOTS AT NASSAU POINT

Three large lots at Nassau Point, Nos. 224, 225 and 226. These lots front on Wunnewetta Harbor on the west and there is good depth of water from these lots through a deep channel to Peconic Bay. Each lot has more than 100 ft. frontage on the water and over 300 ft. in depth.

Many oak trees cover the whole plot and there is a small pond in the center. The combination of high and low ground makes this plot one of the potential beauty spots of Nassau Point. The view from these lots is unsurpassed.

The three lots are to be sold in one large plot only, not separate, and I have priced them all for \$5,500.00. One-third cash, balance at 4%, if desired.

Ten large wooded lots on Broadwaters. A wonderful view and a good harbor make these lots an outstanding buy. I have recently sold three lots on Broadwaters, and the buyers are planning to build nice houses on each lot. Why not look them over while the choosing is good.

CARRINGTON PARK AT NASSAU POINT

I own nine large lots near Horseshoe Cove and Wunnewetta Harbor. Four of these lots, Nos. 421, 422, 423 and 424, are located on the east side of Little Peconic Bay Road and are wooded, with good elevation, and I have priced them right. Will sell these four lots very reasonable. Take your choice at \$750.00 each.

Five lots at Carrington Park, Nos. 323, 324, 325, 326 and 326A, are west and north of Vanston Road. They are well wooded, high and very near the Cove, as fine inside lots as can be found anywhere. Your choice of any one of these five lots for \$1,000.00. You can best appreciate these lots by looking them over. Will be pleased to show you any of the above lots by appointment.

FISHERMAN'S BEACH AND PECONIC BAY

75 ft. on Fisherman's Beach. A nice lot on beautiful Peconic Bay. Good fishing, clamming, crabbing, a safe harbor and swimming right at your front door. Beautiful sandy beach. Priced at \$1,250.00. Ask us about this attractive lot.

PECONIC BAY

155 ft. on Peconic Bay at Fleet's Neck. A large 7-room house on the highest point of land on the west side of Fleet's Neck. A beautiful location and a good buy. Ask for price and terms.

165 ft. on Peconic Bay at Nassau Point. A large, well built house containing 5 bedrooms, 4 bathrooms, all improvements, including hot air heater and fireplace. One of the best locations on Nassau Point. The grounds are beautifully landscaped. Price and terms on request.

68 ft. on Peconic Bay. 2 lots containing over 2 acres of land covered with fine oak trees, fronting on Horseshoe Cove. About 300 ft. on Vanston Road with the privilege of building three houses on the two lots. Wonderful value considering the location.

LONG ISLAND SOUND

2,000 ft. frontage on beautiful Long Island Sound. Most of it to the east of Duck Pond Road. High elevation, fine view, good depth. Priced at \$25.00 per front foot.

LONG ISLAND SOUND—(Continued)

10 acres of land with about 500 ft. frontage on Long Island Sound. A fine 8-room house with all improvements is located on the highest spot. 2-car garage. 4 acres of the land is good farm land. Price and terms on request.

360 ft. on Long Island Sound at Southold. This beautiful plot has 450 ft. on Sound View Road and contains about 3 acres of land. Electric lights and telephone go right by the property and the bank is not too high. Priced at \$14,000.00.

THREE GOOD FARMS

17 acres at Cutchogue. 12 acres good land. House, barn and out-buildings. Priced at \$10,000.00.

165 acres at Coram. 40 acres potato land cleared and ready to plant and 40 acres potato land in woods. The rest of the land is both cleared and wooded and suitable for Lima Beans, Peas, etc. A beautiful 6-room house with all improvements including an oil heater goes with the farm, as well as barns, hen houses and nearly 1,000 ft. frontage on Mt. Sinai Road, where many nice homes have been built in the last 10 years. Price, \$25,000.00.

65 acres at Ridge on Route 25. I have looked this land over carefully and am sure this strip of land would make someone a good farm. The strip next to it has been cleared and wonderful crops have been raised on it. There are a few acres of this plot cleared, balance wooded. The north end of this land is about 1 mile from a million dollar freezing establishment that is being started. They are clearing up 700 acres of this same kind of land. It would pay you to look this farm over. Priced at \$125.00 per acre.

HOUSES, LOTS AND PLOTS

House at Fleet's Neck, all furnished, with heater and other improvements. This house is on a large lot and also has a 10-ft. right of way to channel suitable for a fair sized boat. Sale price, \$5,500.

Southold Waterfront Property. 75 ft. on water, 75 ft. on Hobart Road, 200 ft. in depth. Large five-room house, with heater and all improvements. Price and terms reasonable.

Summer Cottage on Deep Hole Creek, Mattituck. 4 rooms and bath, screened porch, with fine view. 100 ft. on the water, 200 ft. deep. Near the Bay. Price and terms on request.

Beautiful lot on east side of Fleet's Neck. Finest view. 135 ft. on the water. Nicely wooded. Worth looking over.

12 acres woodland at Bay View on the road to Paradise Point. 100 ft. on Bay View Road and about 200 ft. on Paradise Point Road. Price, \$4,200.00.

The above properties are quoted with the understanding that prices may be changed or they may be taken off the market without notice.

I have other pieces of property on my list. Let me know what you are looking for and I will try my best to help you.

Seed Catalog

Winter it may be, by the calendar, with a bitter
wind outside,
And Spring be ever so impossibly far away,
But it little matters what that weather forecast
plots,
For midsummer has arrived by mail today.

More than the richly glowing vegetables and bril-
liant blooms
Are stored in promise of these growing things:
Here is the blaze of August noon, the scent of
new-cut grass,
The endless summer song the locust sings.

Sunlight and leaf-shadow, and muttered growl of
thunderstorm,
The fresh-washed smell of gardens after rain:
It may be winter actually, but in the pages of this
book
All summer is miraculously returned again.
